Master International Economics students are supposed to present the motivation, research question(s), research methods and procedure, as well as the preliminary results of their Master thesis. For the students we will have 20 minutes for the presentation and 20 minutes for the discussion each.

Students should provide a handout (one page) for the seminar participants, summarising their motivation, research question(s) and main (preliminary) results. The handout should be uploaded to moodle, and two hardcopies should be submitted in class to the organiser of the seminar and to their first supervisor.

A student discussant will be the first to comment on the presentation (5 minutes). The discussant should receive the powerpoints two days in advance of the presentation.

MIE students are required to attend at least five meetings (including their own presentation).

Deadline for registration for Master Thesis: 11 April 2016

Deadline for submission of the Thesis: 25 July 2016
